## 5<sup>th</sup> Arab Water Week organized by

### Arab Countries Water Utilities Association (ACWUA)

The Arab Countries Water Utilities Association (ACWUA) is organizing the Fourth Arab Water Week Conference and Exhibition from 03 – 07 March, 2019 at King Hussein Bin Talal Convention Center - Dead Sea.

#### Event Profile:

*The Arab Water Week (AWW)* is an international meeting in the Arab region which tackles water management issues through establishing innovative partnerships and platforms of collaborative work on water issues in the region.

*The Arab Water Week* is an important and distinctive opportunity for the water and wastewater management community in the Arab world and MENA region, it is the place where professionals, water management experts, private sector, and institutions of all types meet to exchange ideas, knowledge and experiences, discuss problems and get exposed to the state of the art of new technologies and solutions.

*The 5<sup>th</sup> Arab Water Week and 5<sup>th</sup> Arab Water Trade Fair:* the AWW will provide a broad technical presentations and a policy-based program, along with a specialized exhibition - **The 5<sup>th</sup> Arab Water Trade Fair** - targeting water supply and wastewater vendor's and other service providers in the water sector.

ACWUA expects more than **500 participants and delegations** to attend the **5<sup>th</sup> Arab Water Week** in Dead Sea Area, in addition to **more than 40 exhibitors**.
